

Ben

Ben is 15 years old. Here's what he would like you to know about him.

My favorite foods:

Ben loves philly cheesesteaks and burritos.

Activities I enjoy:

Watching movies, hanging out with friends, playing my guitar, and shopping. His favorite sports are: basketball and football. Music is also very important. He likes going for walks and his likes dogs. Ben enjoys spending time with his sister.

What we want you to know about Brandon:

Benjamin needs and deserve to have adults in their lives who can care for him, provide him with safe and stable housing, and offer him the emotional and physical stability. Ben deserves to be a part of a family network where he feels comfortable, connected, and a part of the family. Ben is looking for caregivers who will love him and provide him with a sense of family and connection.

At times he may be hesitant given his past, but Ben can be very social, likable, has a great sense of humor, and can make connections with others.

What we are seeking in a family for Ben:

Ben needs parents who:

- Active household
- Can provide a nurturing environment, set clear and firm limits, and provide consistent boundaries;
- Are willing to participate in any recommended trainings and therapy sessions;
- Can be patient and loving even when his behaviors are a challenge;
- Can be affectionate and patient; and
- Are energetic, outgoing, and active.
