

David, Age 16

My favorite things:

I like being active by playing basketball, football, riding bikes and fishing. I enjoy running. I like to do things depending on the weather outside. I like to play video games. I like reading and like rocks. I really like to watch football.

Things I do not like:

I do not like hands on me. I don't like being yelled at. I do not like to be grounded for long periods of time.

Favorite foods:

I don't mind cooking. I like to eat Mac and Cheese. I like Shepherd's Pie and love Pizza!

What I want in a family:

I would like a family to take me out a lot into the community. I would like to go watch movies. I really want to go to amusement parks and fairs. Family that loves me. Family that does not yell.

What I want families to know about me:

That I can get nervous around people and situations. I am a good runner and like to be outside. I am a good kid and smart. I like to read and play sports. I like Geology.

What we want families to know about the youth:

David can be a kind young man. He wants to share his knowledge with you. He likes to be outdoors and play. He needs a family that can meet his needs of stability, nurturing, and patience. A family that understands cognitive needs of children. Youth at different cognitive levels interpret things differently. Routines and expectations work well.
