Elizabeth, 15

My Favorite Things:
I love to listen to music and dance. Some of my favorite musicians are Justin Bieber, Lizzo, and Ed Sheeran. I am a big fan of dogs, especially Labradors. I like American Girl dolls and playing pretend. I like to color, participate in activities with my friends, and watch YouTube videos. My favorite YouTube star is JoJo Siwa.

Things I do not like:
I do not like needles, loud noises, fighting, sirens, sports, or blueberries.

Favorite Foods:
Pepperoni pizza and McDonald's chicken nuggets.

What I want in a family:
I want a family who has animals and a family who can spend one on one time with me. I would like a family who can help me stay connected to some of my birth family members.

What I want families to know about me:

I like to be called "Lizzie." I am a nice person who is ready for my forever family. I like to rest and listen to my MP3 player when I am feeling upset. I would like a family who lives near or in Vermont.

What we want families to know about Elizabeth:

Elizabeth is a child who benefits from being around adults who can set a good example, who can provide structure, routine, and have good boundaries. Elizabeth is a young soul who looks to others for guidance and reminders. She is eager to join a family. Elizabeth would do best in a home with pets. She would also do well in a home as an only child or with children her age, or older.
