Favorite foods:

I like a good lasagna. Pizza and also chicken tenders are my favorites. I like Reece's and Butterfingers!

What I want in a family:

I want an outdoor family. Family that wants to be active with me. Family that will support me. I want an affectionate family.

What I want families to know about me:

That I like to be busy. I like to talk and socialize. I to fish and would like a dirt bike someday.

What we want families to know about him:

Eric is an active young man. He likes the outside. However, he has no problem entertaining himself indoors with his drawing and music. He is a good student. He can be friendly and sociably. He has a sense of humor. He would work best with only child or one/two older siblings. He does well with structure.
