

Haydin, 15

My Favorite Things:

I really like History, especially military/war related. I like Legos. I like to help people. I like drawing. I like to watch movies. I like to be active.

Things I do not like:

I do not like bullies or people who are mean to me.

Favorite Foods:

My favorite food is pizza.

What I want in a family:

I would like to have two parents, pets and to be an only child. I would like to live either in the country or in a small city.

What I want families to know about me:

I really want to have a family that will love me. My Aunt is very important to me and I want to be able to visit with her.

What we want families to know about the youth:

Haydin is sensitive, caring, and very connected to his aunt. Haydin is athletic and enjoys playing sports. He also enjoys being active and being outdoors. Haydin needs a family that will provide him with love, consistency and structure to help him grow and mature as a part of his forever family.
