What I want in a family:

I would like a mom and a dad. I would like to live in a small town, maybe on a small farm. I like animals cats, dogs, and fish and I like farm animals, like chickens and goats. I would like a family that's not real strict.

What I want families to know about me:

I like being outdoors. I like to rollerskate. I would like to live in a small town. I want to be in touch with my brother.

That we want families to know about the youth:

Jeff is a very sensitive, sweet boy who has experienced a lot in his young life. He will do best with an experienced, trauma informed family that can provide him with a forever home and allow him to grow, learn and experience family. Jeff has a sibling with whom he wants to maintain contact.
