

Jordan, 15

My Favorite Things:

I like food, four wheeling, playing video games, family time watching movies, roller blading, go-karts, biking and dogs.

Things I do not like:

I do not like loud noises or yelling.

Favorite Foods:

Pizza, cheeseburgers, Spanish food, spicy food, Chinese food and tuna melts.

What I want in a family:

I want a nice, un-yelling family, who can take care of me and buy me stuff when I need it.

What I want families to know about me:

I want families to know that I am a cool kid and a nice person with a kind heart. I can do a lot cleaning around the house and stuff, go biking and train dogs.

What we want families to know about the youth:

Jordan is looking for a two-parent family with no younger children to give Jordan time to adjust and settle into a new family. A family who is open and willing to be part of a team to help and watch Jordan grow. A family who can provide structure and consistency. A family willing to help Jordan learn his talents and develop new ones.

In addition, parents whom:

- Have an active household
- Can provide a nurturing environment, set clear and firm limits, and provide consistent boundaries
- Understands Early Developmental Trauma or are willing to learn
- Are willing to participate in any recommended trainings and therapy sessions;
- Can be patient and loving even when his behaviors are a challenge;
- Can be affectionate and patient; and
- Are energetic, outgoing, and active.

Jordan would do best as the only or youngest child in the family.
