

Name and Age: Kolby, 12

My Favorite Things:

Loves to read, fish, play video games, swim, exploring especially looking for reptiles, bike riding, and cooking.

Things I do not like:

Competitive sports and a lot of noise.

Favorite Foods:

Pizza, Cheeseburgers, Chili dogs, Rice, Eggs, Ice Cream

What I want in a family:

Would love a family that goes camping, fishing, hunting and has animals

What I want families to know about me:

Having a routine is very helpful with clear expectations. Does better in a calm, quiet environment.

That we want families to know about the youth:

Kolby is a very intelligent and observant child but is initially shy with new people. Enjoys being a part of family gatherings especially where other children are present. Kolby also enjoys helping with household projects.

Kolby needs parents who can provide a nurturing environment, set clear and firm limits, and provide consistent boundaries, are willing to participate in any recommended trainings and therapy sessions.
