

Marleigh, Age 8

My Favorite Things:

I like gymnastics and playing dress up. I like to dance. I like arts and crafts, coloring, outdoors activities, and hikes. I like math. I like making friends.

Things I do not like:

Being told what to do. Needles or shots. Really bright lights.

Favorite Foods:

Macaroni and cheese (the boxed kind), grilled cheese, sausage, ice cream, fondant.

What I want in a family:

I would like to have two moms and a younger sibling. I would like living in a town. I want to have a kitten and a puppy and a rabbit.

What I want families to know about me:

Sometimes, I like being alone. Sometimes, I need to talk about people or things that make me sad. I like being outdoors, playing dress up, and being silly.

What we want families to know about the youth:

Marleigh does well with consistency and routines. She will benefit from a two-parent family. Parents who are able to share parenting and support each other are recommended. Marleigh thrives on attention and affection. Parents that have a solid understanding of childhood trauma and trauma informed parenting are recommended.

A family that is active and spends time outdoors would be an excellent fit for Marleigh
