

Matthew, Age 10

My Favorite Things:

Going fishing. Playing outside. Looking at animals. Playing with Legos. Watching wrestling. Playing Fortnite.

Things I do not like:

People taking my stuff. Raw onions. Roblox.

Favorite Foods:

Tacos, Chinese food, Subway, McDonald's, Burger King, and Brussels sprouts. My favorite meal is chicken alfredo with garlic bread.

What I want in a family:

I'd like to live in the country, on a farm, with a mom and dad, and younger kids.

What I want families to know about me:

I like to play with kids. I like cats, dogs, and snakes. I like to draw. I like video games.

What we want families to know about him:

Matthew has a great sense of humor. He is curious, kind, and caring. He does well when he knows his schedule and is told in advance of any changes to it. Feeling sick or overtired are difficult for Matthew. He would do best with two parents who are patient and kind and who understand, and are skilled dealing with, childhood trauma.

Matthew has a strong connection to his sister, mother, and grandfather. Ongoing connection to family members is very important to him.
