

Wynter age ten

My Favorite Things:

I enjoy arts and crafts. I also like to read, and Tales of a fourth grade nothing is my favorite book. I enjoy making snowmen in the winter, and in the summer, I like to go swimming. I like watching the Cartoon Network.

Things I do not like:

I do not like onions or meat, except for seafood.

Favorite Foods:

I love watermelon, Brussels sprouts, payday candy bars, York peppermint patties and bananas.

What I want in a family:

I want a mom and a dad who love me and keep me safe. It will take me time to trust my parents. I would like to live in a single family home, not an apartment. I like living in cooler climates.

What I want families to know about me:

I am artistic. Summer is my favorite season, but I prefer living in cooler climates. I like taking baths. I can be mischievous. I sometimes have night terrors. I enjoy reading. I really enjoy “Tales of a fourth grade nothing.”

What we want families to know about the youth:

Wynter is articulate. She has a great sense of humor. Wynter is resilient, and strives to work through her trauma. Wynter wants to trust adults, but she acknowledges that it is hard for her to trust her caregivers. Wynter deserves a family who can offer a consistent and nurturing home environment. Wynter needs a family who will not give up on her.
