

WEATHERIZATION CAREERS IN VERMONT

Why a career in weatherization?

- The chance to have a lifelong career in a growing industry, without the student loans.
- Earn a competitive wage while you learn “on the job” — the cost of training is fully covered.
- Ongoing opportunities to learn, grow, and achieve industry certification.
- Benefits like vacation days, sick time, health insurance, and a retirement plan.
- Skills you can take across the country. Weatherization is a multibillion-dollar industry, with jobs in every state.
- Help others and the planet!
