Good morning.

My husband and I receive our Medicare Supplemental insurance through BC/BS VT. It is my experience that the larger a bureaucracy becomes, the less responsive it becomes to its members. Small and responsive is one of the greatest assets of living Vermont. There are many situations in which we pay more to remain such. It is because of these beliefs that I oppose the "affiliation" proposed by BC/BS VT with Michigan BC/BS.

Thank you for taking my comment.
