Re: Vermont Connectivity Initiative RFP Report Summary

Dear Mr. Purvis:

On behalf of Spectrum Northeast, LLC, a Delaware limited liability company ("Spectrum") and an indirect subsidiary of, and managed by, Charter Communications, Inc. ("Charter"), please find attached the following documents related to the Connectivity Initiative RFP:

- Final report summary
- Attachment D certifications
- Project Costs and Job Ledger (CONFIDENTIAL)

In addition, by this letter we also request confidential treatment of the project costs and job ledger documents as they contain confidential financial and/or proprietary information pursuant to applicable law, including 30 V.S.A. Section 202f (k). The information and materials have been marked as confidential. In the event there is any issue with holding the information as confidential, we ask that you return it to me to enable Spectrum to obtain an appropriate protective order.

Charter appreciates being awarded funding and partnering with the state to turn federal dollars into critical infrastructure and extend our network to more unserved areas of Vermont.

If you have any questions, please contact me at (203) 428-0565 or via email at Jennifer.R.Young@Charter.com.

Sincerely,

A handwritten signature in blue ink that reads "Jennifer Young".
