**Re: Records Request # 58317**

Dear Mr. Melone:

Consistent with my January 29, 2026 communication to you, I am providing documents responsive to your request. Some of the aforementioned documents are attached to other documents. Additionally, I am withholding potentially responsive documents which are exempt from disclosure under the Vermont Public Records Act (1 V. S. A. §315-320).

I certify that these withheld documents are exempt from disclosure pursuant to 1 V.S.A §317(c)(4) as either privileged attorney/client communications or subject to the work product doctrine, or 1 V.S.A. §317 (c)(14) as records which are relevant to litigation to which the Department is a party.

The following Department personnel are responsible for the denial, as reflected in this letter, of your request for access to public records:

- Louise C. Porter, Special Counsel to the Commissioner
- Carol M. Flint, Records Custodian

Please be advised that you have the right to appeal the determinations set forth in this letter to the Commissioner of the Department of Public Service.

Additional records will be provided and/or withheld as described in this letter as they are identified and reviewed by the Department.

Sincerely,

Signed by:
