Dear Mr. Heyman,

Attached is Vermont Community Broadband Board's (VCBB) response to your Public Records Act request. As requested, the link will provide emails, directives, guidance, memoranda and other documents received by, or in possession of the VT Community Broadband Board and/or Staff regarding the status of the BEAD funding.

Please be advised that pursuant to 1 V.S.A. § 318(b)(2), I hereby certify that I have redacted a portion of two records file name PRR Redacted 1 as I consider the redacted portions of these documents to be exempt from public inspection pursuant to 1 V.S.A. §317(c)(4), records which if disclosed would violate a statutory/common law privilege. Specifically, the redacted portions include attorney-client communications.

Finally, please be advised that, pursuant to 1 V.S.A. § 318(a)(2), you have the right to appeal the determinations set forth in this letter to the Executive Director of the Vermont Community Broadband Board.

Kind regards,
