After reviewing the breath test summary for September, I confirmed the agencies that did not have any tests over the month. I spoke with VSP Brattleboro, Bennington County Sheriff's Office, Bellows Falls PD, Bristol PD and the Windham County State's Attorney's office who confirmed that Vernon did not use their DMT. None of the sites used their DMT's but were still online. I also confirmed with DPS IT that they could ping each unit successfully.
