

DataMaster Operator's Logbook Instructions

- 1) Pages should not be removed from this logbook.
- 2) At the top of each page, record the DataMaster agency and serial number.
- 3) Record EVERY test performed on the DataMaster.
- 4) Record the date, DMT operator's name, subject's name and the Simulator Vapor reading (s).
- 5) If not processing a subject, record test type under subject name (e.g. RPC or solution change).
- 6) This logbook is an agency record for your DataMaster DMT. When completed, file with other DataMaster DMT agency records.
