

3/18/2010

Darcy

- Franklin County, only a couple were pulled back for recal. b/c running low (09/08) - (6/09) install - recal
- Washington County - some are showing some behavior, why not pull back & recal
- Can't trust TSI b/c caught in lies
 - temp's recorded during cal & cert consistently 34.00 °C
 - not performing suck-back test
 - etc.

3/19 Amanda

□ cal & cert logs w/ temps.

□ Acetone

□ no real proof
