MEMORANDUM

Date: January 7, 2010
To: Bob Drawbaugh
From: Steve Reckers *Steve*
Subject: Department of Health Lab 2010 Grants

Bob,

Attached are three grants for the Lab for FFY 2010. Each grant is for a specific purpose and should be treated separately.

1. #02140-0910-2013 to allow you to increase the Lab drug testing capability and to provide funds for conducting DRE requested tests. \$10,500
2. #02140-0910-2014 to provide funds for a chemist to attend the Borkenstein Course and for one to attend the International Association for Chemical Testing Conference.
3. #02140-0910-2015 to fund the continuation of the DataMaster replacement program. \$313,000

*\$4,100
22400 Bork
21280 Int'l*

*AAH
rough JFO?*

Please obtain the proper DOH signatures on each sub grant agreement and return them to me. I will obtain the DPS signatures and sent you file copies.

I will work with whomever in DOH is responsible for the reimbursements for these grants when the time comes. I encourage the DOH to request reimbursement promptly after the expenditure of funds.

Please, if there are any questions or problems, contact me at 802-241-5505 or sreckers@dps.state.vt.us
