MEMORANDUM

TO: STATES ATTORNEYS; DEFENDER GENERAL; GREG NAGURNEY
FROM: PEG SCHWARTZ, DIRECTOR *ms*
SUBJECT: ALCOHOL PROGRAM UPDATE
DATE: 5/24/2012

Due to impending parental leave, Amanda Bolduc will not be traveling for work-related duties after July 1st. Amanda will remain available for telephone testimony and other case work through early-August when her leave will begin. She will be out on parental leave for 12 weeks; returning to work in November. During her absence, Dr. Trisha Conti, the Alcohol Program Supervisor, will be available for testimony as well as case work and affidavit requests. The Alcohol Program here at the Vermont Forensic Laboratory anticipates hiring an additional Forensic Chemist and DataMaster Technician within the next few weeks. Please be patient and understand that your requests may not be answered immediately due to the enormity of work falling upon a transitioning program.
