

Vermont Department of Health Laboratory
Organic Chemistry Program
Memorandum

To: Datamaster DMT Supervisor

From: Kirk Kimball Organic Chemistry Program Chief

Date: July 13, 2011

Re: Revised Proper Sample Acceptance Test (pg. 17)

Attached are new instructions for performing a proper Sample Acceptance Test on the DataMaster DMT. Please read these new instructions and replace the current instructions in your manual (page 17) with this version. Please e-mail the Vermont Dept. of Health Laboratory Technical Services at Lab_Alc@ahs.state.vt.us indicating that you have read and understand these new instructions. If you have any questions concerning these instructions please contact either Steven Harnois at Steven.Harnois@ahs.state.vt.us or Amanda Bolduc at amanda.bolduc@ahs.state.vt.us by e-mail.

Thank you

Kirk L. Kimball
Organic Chemistry Program Chief
