

Vermont 2024 Candidates and Campaign Finance

Summary of August 1 Disclosures

The table below is based on a comparison of two publicly accessible datasets on the Vermont Secretary of State’s website. The first is a report of candidates who have filed to run for state office, General Assembly, or county office in Vermont in 2024. The second is a report of candidates who have filed campaign finance disclosure forms for the August 1 filing deadline. Both reports were run at 8am on August 7, 2024.

The scope of this report includes state office, General Assembly, and county office. If a candidate has filed to run for one of these offices, they will appear in the table below. Candidate names appear as they will appear on the August Primary and/or November General Election ballots.

Not all candidates are required to file campaign finance reports. Per [17 V.S.A. § 2964](#), candidates are only required to file disclosures if they “rolled over any amount of surplus into his or her new campaign or... made expenditures or accepted contributions of \$500.00 or more during the two-year general election cycle.” Therefore, some candidates may not need to file until later in the election cycle, and some not at all.

Up-to-date filings and more information are available on the Secretary of State’s website at <http://sos.vermont.gov/>.

Visit the Election Division’s [Campaign Finance System](#) and click on “Search Filed Reports” to:

- Download a copy of any of the disclosures listed below,
- Find an updated list of filings,
- Search filings from other entities or reporting periods.

Visit the Election Division’s [Candidates](#) page to:

- See major party candidates who have filed for the Statewide Primary,
- See an updated list of minor party and independent candidates who have filed for the General Election (deadline: August 8, 2024 at 5pm),
- Find instructions and signature requirements to run for office.
