

RECORD SCHEDULE FOR: Professional Responsibility Board

This is an agency-specific record schedule that satisfies the requirements of 1 V.S.A. § 317a and, where mandated, 3 V.S.A. § 218. It is subject to annual certification and may be amended by mutual consent at any time. If not otherwise listed, all other agency records are addressed by general record schedules.

Public agencies are responsible for developing their own internal policies and procedures to assure that the requirements outlined in this record schedule are being applied across the the agency. Records listed on the record schedule that need to be retained until OBSOLETE must be supported by an internal policy that clearly states a specific retention requirement that best meets the agency or department's administrative needs.

Transferring records to the State Records Center or State Archives requires a transfer agreement from the Vermont State Archives and Records Administration and additional documentation. See the ARCHIVES AND RECORDS MANAGEMENT HANDBOOK for related forms, definitions and additional procedures.
