Order Removing Conditions

On February 10, 2014 the Vermont Board of Nursing considered Paula S. Brown's request for removal of conditions imposed on her RN license by Board Order dated November 18, 2013. The State did not object.

Based on the representations of the Investigative team, the Board finds that Paula S. Brown has met all requirements of the Order and that removal of the conditions is appropriate.

The Board hereby **removes the conditions** imposed on Paula S. Brown's license by the Order referenced above.

So Ordered.
