Order Reinstating License with Conditions

On April 14, 2014 the Vermont Board of Nursing considered Caitlin I. Ferland's request for reinstatement of her license as an LPN. The State did not object to reinstatement of Caitlin I. Ferland's license with conditions.

Based on the representations of the Investigative Team, the Board finds that Caitlin I. Ferland has met the requirements for reinstatement set by the Board's Order of January 11, 2011 and that reinstatement of Caitlin I. Ferland's license with the conditions set by that Order is appropriate.

The Board hereby **reinstates Caitlin I. Ferland's LPN license with the conditions** set forth in the Order referenced above.

So Ordered.
