Order Reinstating License with Conditions

On March 3, 2014 the Vermont Board of Nursing considered Tracie L. Hauck's request for reinstatement of her license as an RN. The State did not object to reinstatement of Tracie L. Hauck's license with conditions.

Based on the representations of the Investigative Team, the Board finds that Tracie L. Hauck has met the requirements for reinstatement set by the Board's Order of December 9, 2013, and that reinstatement of Tracie L. Hauck's license with the conditions set by that Order is appropriate.

The Board hereby **reinstates** Tracie L. Hauck's **RN license with the conditions** set forth in the Order referenced above.

So Ordered.
