8. Reports from Employers/Program Director. Within one (1) month of the date of reinstatement or within one (1) month of the commencement of nursing employment and monthly thereafter, Respondent shall cause every nursing employer Respondent has worked for during the month to submit to the Board an evaluation of Respondent's work performance and attendance during that month. Moreover, on a quarterly basis, these reports shall include the results of the employer's medication audits of Respondent's medication administration and practices. The Board will approve out-of-state nursing practice so long as Respondent can still comply with the provisions of this Consent Order. If Respondent receives discipline on a nursing license held in another state during the conditioned period, Respondent must inform the Board of such, in writing, within ten (10) days of receiving such discipline.

16. Release of Information Forms. This Order requires Respondent to authorize drug and/or alcohol treatment providers to report information in verbal and/or written format and/or to discuss Respondent and any and all treatment rendered to Respondent for drugs and/or alcohol with the Board or its designee. Any and all of this information may be provided to the Office of Professional Regulation investigators, and that the information may be used for further prosecutions if so warranted or if the Office of Professional Regulation determines that said information violates the terms of this Order or any rules or laws governing the profession of nursing.

Respondent is entitled to revoke this consent at any time. However, any revocation shall be considered a violation of this Order. This consent expires when the conditions are removed from Respondent's nursing license.

This Stipulation and Consent Order shall itself constitute a valid written consent pursuant to the requirements of 42 C.F.R. § 2.31. Respondent understands that Respondent's treatment provider may require Respondent's to sign a separate and distinct consent meeting the requirements of 42 C.F.R. § 2.31.

17. Costs. Respondent shall bear all costs of complying with this Consent Order.
18. Violation of this Order. If Respondent violates this Order the Board, after giving Respondent notice and an opportunity to be heard, may rescind or modify this Order and impose additional appropriate disciplinary actions. **The investigatory team may request Respondent to obtain an independent evaluation within 90 days if she is non-complaint with this order.** If a complaint of unprofessional conduct is made against Respondent during the term of this Order, this Order shall be automatically extended until the unprofessional conduct matter is concluded.
