Order Removing Conditions

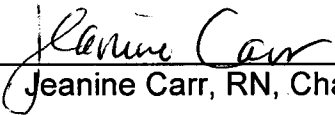

On February 11, 2013, the Vermont Board of Nursing considered Sarah N. Linton's request for removal of conditions imposed on her RN license by Board Order dated May 12, 2010. The State did not object.

Based on the representations of the Investigative team, the Board finds that Sarah N. Linton has met all requirements of the Order and that removal of the conditions is appropriate.

The Board hereby **removes the conditions** imposed on Sarah N. Linton's license by the Order referenced above.

So Ordered.
