Docket No. 2009-601

STIPULATION AND CONSENT ORDER

STIPULATION

NOW COME the State of Vermont, by and through State Prosecuting Attorney BetsyAnn Wrask, and the Respondent, Donna Lee Maynard, LPN. who stipulate and agree as follows:

Board Authority

1. The Vermont State Board of Nursing (the "Board") has authority to issue warnings or reprimands; suspend, revoke, limit, or condition current licenses; or prevent the renewal of lapsed licenses if, after disciplinary hearing, the Board finds that the Respondent has engaged in unprofessional conduct. 3 V.S.A. § 129(a); 3 V.S.A. § 129a; 3 V.S.A. § 814(d); 26 V.S.A. § 1582; the Administrative Rules of the Board of Nursing (the "ARBN"); and the Rules of the Office of Professional Regulation.

Statement of Facts

2. Donna Lee Maynard (the "Respondent") of Hinsdale, New Hampshire is licensed by the State of Vermont as a Licensed Practical Nurse under license number 025.0006843. This license was originally issued on or about October 21, 1992 and is currently set to expire on or about January 31, 2012.
3. At all times relevant, Respondent was employed as a Licensed Practical Nurse at Pine Heights Nursing Home (the "Facility"), located in Brattleboro, Vermont.
4. On or about December 22, 2009 in a Statement of Complaint to the Office of Professional Regulation, Facility Director of Nursing K.M. advised that Respondent was terminated from the Facility on that date due to Respondent verbally abusing Resident C.K. and inciting fear in that resident on or about the evening of December 17, 2009.
5. On or about January 26, 2010 in an interview with State Investigator Steve Kennedy, Director of Nursing K.M. advised that on or about December 18, 2009, Resident C.K. stated he/she had been threatened by Respondent. K.M. advised that although there

were no witnesses to the alleged threatening statement made by Respondent, other Facility employees heard Respondent yell at C.K. after the alleged threat was made.

6. On or about January 26, 2010 in an interview with Investigator Kennedy, Facility LNA T.B. advised that on or about December 17, 2009, T.B. walked into the room of Resident C.K. and found C.K. crying. T.B. advised that C.K. told her that an awful woman told C.K. that if C.K. got out of bed, the woman would crack C.K.'s head open. T.B. advised that thereafter, Respondent came into C.K.'s room and was rude to C.K. by yelling at C.K., "If you want to stay up, you can't go in other peoples' rooms," and, "Now sit here," and when C.K. wanted to go into the dining room, Respondent yelled, "You're not having stuff to eat."
7. On or about January 26, 2010 in an interview with Investigator Kennedy, Facility LNA J.A. advised that on or about December 17, 2010, J.A. witnessed Respondent yell at Resident C.K. to "be quiet" and to "cut it out as people are trying to sleep." J.A. advised that Respondent then unlocked the brakes on C.K.'s wheelchair and moved C.K. at high speed to the dining room and said to C.K. in a loud voice, "There, you can watch this TV and won't be bothering everyone else."
8. On or about January 28, 2010 in an interview with Investigator Kennedy, Respondent denied yelling at C.K. Respondent advised that on the night in question, she was upset by staff. Respondent advised that she does scream at aides, but not at Resident C.K. Respondent stated she did not remember pushing C.K. in his/her wheelchair at high speed, but stated that Respondent is a fast walker.
9. By yelling at C.K. and screaming at aides, Respondent has violated standards of nursing practice; 3 V.S.A. § 129a(b)(1) and (2); and 3 V.S.A. § 129a(a)(3).

Charges

10. The act(s), omission(s), and/or circumstance(s) described above constitute grounds for discipline because the Respondent has committed unprofessional conduct in violation of:
 - a. 3 V.S.A. § 129a(b)(1) and (2) (Failure to practice competently by reason of any cause on a single occasion or on multiple occasions may constitute unprofessional conduct, whether actual injury to a client, patient, or customer has occurred. Failure to practice competently includes: (1) performance of unsafe or unacceptable patient or client care; or (2) failure to conform to the essential standards of acceptable and prevailing practice); and
 - b. 3 V.S.A. § 129a(a)(3) (Failing to comply with provisions of federal or state statutes or rules governing the practice of the profession).

Understandings

11. This Stipulation is neither an admission of liability by the Respondent nor a concession by the State of Vermont that its charges are not well-founded. To avoid delay, uncertainty, inconvenience, and expense of protracted litigation of the charges above, the Parties reach a full and final Stipulation pursuant to these Understandings and the Order below. The Respondent does not dispute that the State could prove these charges by a preponderance of the evidence if this matter went to a hearing and agrees that the conditions below are necessary to protect the public.
12. Respondent understands that the Nursing Board must review and accept the terms of the Consent Order. If the Board rejects any portion, the entire Stipulation and Consent Order shall be null and void.
13. Respondent specifically waives any claims that any disclosures made to the full Board during its review of this agreement have prejudiced her rights to a fair and impartial hearing in future hearings if this agreement is not accepted by the Board.
14. Respondent has read and reviewed this entire document and agrees that it contains the entire agreement between the parties.
15. Respondent is not under the influence of any drugs or alcohol at the time she signs this Stipulation and Consent Order.
16. Respondent voluntarily enters into this agreement after the opportunity to consult with legal counsel and is not being coerced by anyone into signing this Stipulation and Consent Order.
17. Respondent voluntarily waives her right to a contested hearing before the Board of Nursing and waives any right to appeal from this Stipulation and Consent Order.
18. Respondent agrees that the Order set forth below may be entered by the Board.

ORDER

Based on the Stipulation above, it is **ORDERED AND ADJUDGED** as follows:

- A. The Board of Nursing hereby **CONDITIONS** Respondent's license to practice nursing **FOR A MINIMUM OF SIX (6) MONTHS from the date of entry below**. The conditions are as follows:

(1) Re-issue of License.

Upon the imposition of these conditions, Respondent shall be issued a license labeled "conditioned."

(2) Length of Time Conditions Imposed.

The conditions shall remain in place until Respondent has completed all conditions ordered. Respondent shall be subject to the conditions until Respondent completes a

minimum of six (6) months of supervised nursing practice in which she works at least forty (40) hours every two (2) weeks as a nurse. Part time hours of less than forty (40) hours every two (2) weeks shall be credited on a prorated basis. The Respondent shall be prohibited from working more than forty (40) hours per week during the conditioned period.

(3) Communication Course.

Respondent must successfully complete (i.e., receive a passing grade, if applicable) a communication course focusing on communication with prior approval by the Board or its designee, and then submit written documentation of completion (certificate of completion, etc.) to verify the same to the satisfaction of the Board or its designee. This course must be completed within forty-five (45) days of the date of entry of this Stipulation and Consent Order.

(4) Stress Management Course.

Respondent must successfully complete (i.e., receive a passing grade, if applicable) a stress management course focusing on stress management with prior approval by the Board or its designee, and then submit written documentation of completion (certificate of completion, etc.) to verify the same to the satisfaction of the Board or its designee. This course must be completed within forty-five (45) days of the date of entry of this Stipulation and Consent Order.

(5) Notification to Employers/Nursing School.

Respondent shall provide a copy of this Stipulation and Consent Order to all employers in any current or future setting in which Respondent practices as a nurse and inform them of Respondent's conditional license status.

Within ten (10) days of the date of entry of this Consent Order or of any subsequent nursing employment, Respondent shall cause Respondent's immediate supervisor to submit to the Board an employer agreement form approved by the Board, acknowledging receipt of the Stipulation and Consent Order and the ability to comply with the conditions in the Consent Order.

In the event the Respondent is attending a nursing program which has a clinical portion that involves actual patient care, Respondent shall provide a copy of the Stipulation and Consent Order to the Program Director. Respondent shall cause the Program Director to submit to the Board a nursing program agreement form approved by the Board, acknowledging receipt of the Stipulation and Consent Order and the ability of the program to comply with the conditions in the Consent Order during clinical experience.

(6) Reports from Employers/Program Directors.

Within one (1) month of the date of entry of this Order or within one (1) month of the commencement of nursing employment and **monthly** thereafter, Respondent shall cause every nursing employer the Respondent has worked for during the month to submit to the Board an evaluation of Respondent's work performance and attendance during that month. These reports shall be submitted in writing on forms issued by the Board. All employer reports shall indicate satisfactory performance (ie., consistently meeting all standards of nursing practice) and attendance.

In the event the Respondent is attending a nursing program, Respondent shall cause the Program Director to submit to the Board, on a monthly basis, a written evaluation of her performance and attendance. These reports shall be submitted in writing on forms issued by the Board. All nursing program reports shall indicate satisfactory performance (ie., consistently meeting all standards of nursing practice) and attendance.

(7) Practice Under Supervision.

Respondent shall practice nursing only in a setting where Respondent has direct supervision for the entire shift by a registered nurse that is licensed and in good standing with the Board.

(8) Types of Employment Prohibited.

Respondent shall not work in a supervisory role. Respondent shall not work for a nurse registry, traveling nurse agency, float-pool, home health care agency, temporary nursing employment agency, or as a private duty nurse or personal care provider requiring a nursing or nursing assistant license during the effective period of this Consent Order.

(9) Out-of-State Practice.

Before any out-of-state practice can be credited toward fulfillment of these terms and conditions, Respondent shall first obtain approval from the Board prior to Respondent practicing nursing outside the State of Vermont. If Respondent fails to receive such approval before practicing nursing outside the State of Vermont, none of the time spent practicing nursing out-of-state will be credited toward the fulfillment of the terms and conditions of this Consent Order. The Board will approve out-of-state nursing practice so long as the Respondent can still comply with the provisions of this Consent Order.

If the Respondent receives discipline on a nursing license held in another state during the conditioned period, the Respondent must inform the Board of such, in writing, within ten (10) days of receiving such discipline.

(10) Notification of Place of Employment/ Personal Address/Telephone Number.

Within ten (10) days of the date of entry of this Consent Order, Respondent shall notify the Board, in writing, of her current place of employment, personal address, and telephone number. Respondent shall further notify the Board, in writing, within forty-eight (48) hours of any change in employment (including resignation or termination), personal address, or telephone number.

(11) Notification to Other States.

In the event that the Respondent is licensed in nursing in any other state(s), she must inform the nursing licensing board of the state(s) in which the Respondent is licensed of the conditional status of her Vermont nursing license within thirty (30) days of the date of entry of this Order. If the Respondent fails to provide such notification, it will be considered a violation of this Order.

(12) License Renewal.

If the Respondent's license expires while this Order is still in effect, this Order does not automatically extend the license. In that situation, in order to continue to practice as a nurse,

the Respondent must timely apply for renewal, pay the applicable fee and demonstrate that she has otherwise complied with the requirements for license renewal.

(13) Costs.

The Respondent shall bear all costs of complying with this Consent Order.

(14) Violation of this Order.

If the Respondent violates the terms of this Order in any respect, the Board, after giving the Respondent notice and an opportunity to be heard, may rescind or modify this Order and impose additional appropriate disciplinary actions. If a complaint of unprofessional conduct is made against the Respondent during the term of this Order, this Order shall be automatically extended until the unprofessional conduct matter is concluded.

(15) Completion of Conditional License Period.

After the conditional license period, the Respondent may petition the Board to remove any and all conditions on her license. The Respondent must present proof that she has fully complied with the terms of this Order.

- B. Notwithstanding any provision above, the Respondent must continue to meet all Nursing Board requirements for maintaining a license, license renewal and license reinstatement.
- C. This Stipulation and Consent Order is a matter of public record and may be reported to other licensing authorities as provided in 3 V.S.A. § 129(a).
- D. This Stipulation and Consent Order will remain part of Respondent's licensing file and may be used for purposes of determining sanctions in any future disciplinary matter.
