On January 14, 2013, the Vermont Board of Nursing considered Anne-Marie Newton's request for removal of conditions imposed on her RN license by Board Order dated May 14, 2009. The State did not object.

Based on the representations of the Investigative Team, the Board finds that Anne-Marie Newton has met all requirements of the Order and that removal of the conditions is appropriate.

The Board hereby **removes the conditions** imposed on Anne-Marie Newton's license by the Order referenced above.
