

IN RE: Arrianna O'Byrne)
 Case File No. NU53-0201)
 License No. 26-21088)

DEFAULT ORDER

The Board of Nursing held a default hearing in the above matter on August 13, 2001 at 81 River Street in Montpelier, Vermont. Board members Larry Kingsbury, Elayne Clift, Linda Rice, Susan Farrell, Susan Cota, Laurey Tyo and Pat Rock participated in the decision. Assistant Attorney General Robert Gagnon appeared for the State. The Respondent was not present.

1. The Respondent was sent notice of the Charges against her by certified mail to her last known address on June 15, 2001. The certified mail return receipt came back to the Office of Professional Regulation bearing the Respondent's signature and dated June 18, 2001.
2. Notice of the default hearing was mailed to the same address.
3. The Respondent has not answered the charges against her.
4. Upon hearing the State's presentation and taking notice of its own file, the Board found the Respondent to be in default. The allegations contained in the State's specification of charges dated June 11, 2001 (copy attached) are therefore treated as the facts on which the Board's order is based.

The Respondent has received adequate notice of the charges against her as indicated by the Board's file and the State's presentation. Because the Respondent has failed to answer the charges, the State's factual allegations are treated as if proved. Accordingly, the Board finds, in a default hearing held pursuant to 3 V.S.A. §809(d), that the Respondent has engaged in the unprofessional conduct alleged in the State's specification of charges.

Order

In accordance with the above findings of fact and conclusions of law, the license of the Respondent is hereby INDEFINITELY SUSPENDED, effective as of the date of entry of this Order, below. Respondent's license shall remain suspended for a MINIMUM OF ONE YEAR from the date of entry of this order before the Board will consider a petition for reinstatement. In petitioning for reinstatement, the Respondent must demonstrate, among other things, specific rehabilitation addressing her actions which are the subject of the attached Specification of Charges.

You may appeal by sending a notice of appeal in writing to the Director of the Office of Professional Regulation within 30 days of the date of entry of this order.
