DEFAULT ORDER

Findings of Fact

1. The Respondent is licensed in Vermont as a Registered Nurse and as an Advanced Practice Nurse.
2. The Hearing Officer held a hearing in the above matter on June 9, 2022, pursuant to 3 VSA Sec. 129(f). The hearing was held electronically pursuant to the Notice of Hearing. The State requested a default because the Respondent had not responded to the charges in this case. A notice of the hearing on the default was sent to the Respondent on or about April 27, 2022, by regular mail and by certified mail. The regular mail notice was not returned as of the date of the hearing. The certified mail notice was returned marked as "unable to forward". The Notice of Default hearing was sent by the prosecutor to the Respondent's email address with no reply.
3. Specification of Charges were filed in this case on or about March 24, 2022. A copy of the Specification of Charges is attached to this order. The charges were sent to the Respondent at the address which is on file with the Office of Professional Regulation on March 24, 2022, by certified mail and regular mail. The certified mail notice was returned on April 14, 2022, with a note that it was "unclaimed". Neither the regular mail nor the email was returned.
4. No answer has been filed.
5. Under the Administrative Rules of the Officer of Professional Regulation, Rule 3.4, a default may be entered when an answer is not filed within the required time period.
6. Upon consideration of the Prosecution's presentation and taking notice of the OPR file, the Hearing Officer of the Board finds Respondent to be in Default. The allegations contained in the Specification of Charges are therefore treated as the facts on which the Board may issue an order of professional discipline. OPR Rule 3.4, 3 V.S.A. § 809(d), and 3 V.S.A. § 814(c).
7. It is specifically found that the Respondent, while working as a visiting nurse in 2019 falsified various nursing reports to indicate that she had visited patients to do clinical assessment when in fact the visits and the assessments had not been made. In at least one instance it appears that the patient's signature on a visit summary had been

forged.

8. As indicated by the Board's file and the Prosecution's presentation, because Respondent has failed to answer the charges, the factual allegations in the Specification of Charges are treated as if proved. O.P.R. Rule 3.4. Accordingly, the Board may find, based up the finding of Default from this Default Hearing held pursuant to 3 V.S.A. §809(d), that Respondent has engaged in the unprofessional conduct alleged in the Specification of Charges. The Respondent committed unprofessional conduct by violating: 3 VSA Sec. 129a(a)(7) [Willfully making false reports or records], 26 VSA Sec. 1582(a)(3) [Engaging in conduct of a character likely to deceive], 3 VSA Sec. 129a(b)(1 and 2) [Failure to practice competently by unacceptable patient care and failure to conform to the essential standards of acceptable and prevailing practice], and 3 VSA Sec. 129a(a)(15) [Failing to exercise professional judgment]
9. The State recommended that the Respondent's licenses both be **REVOKED**.

Proposed Order

In accordance with the above Findings of Fact and Conclusions of Law, and consistent with the recommendation by the State, the Board does **ORDER** that the Respondent's licenses be **REVOKED**.

The Hearing Officer reports the above findings of facts, conclusions of law, and the proposed order to the Board or Director with the recommendation that the Board or Director approve them and enter the Order as above.

Dated this 14th day of June, 2022.

George K. Belcher
Hearing Officer of the Vermont Board of Nursing
