Docket No. NU70-0507

STIPULATION AND CONSENT ORDER

STIPULATION

NOW COMES the State of Vermont, through State Prosecuting Attorney, Edward G. Adrian, and the Respondent, (Maria) Evelyn R. Samson, R.N., who stipulate and agree as follows:

Board Authority

1. The Vermont Board of Nursing (the "Board") has jurisdiction to investigate and adjudicate allegations of unprofessional conduct committed by Nurses pursuant to 3 V.S.A. §§ 129, 129a; 26 V.S.A. Chapter 28 and; the rules of the Board and the Vermont Office of Professional Regulation.

Statement of Facts

2. The Respondent, Evelyn R. Samson, is licensed in the State of Vermont as a registered nurse under license number 026-0035446. This license was originally issued on or about December 18, 2006 and is currently set to expire on March 31, 2009.

3. During all relevant times the Respondent was practicing as a registered nurse at Fletcher Allen Health Care (the "Facility") located in Burlington, Vermont.

4. On or about May 3, 2007, the Respondent was taking a blood glucose reading for a patient (Patient #1), but was having difficulty obtaining a reading on the Glucometer. The Respondent attempted to gain a reading on the Glucometer approximately four (4) times, pricking the patient's finger for a new blood sample each time. After her fourth attempt failed, the Respondent recorded what she considered to be a normal blood glucose reading for the patient in the patient's record without actually obtaining a reading.

5. The Respondent then moved on to her next patient, but was unable to obtain a blood glucose reading for the second patient as well. At that point, the Respondent reported to her supervisor that she had recorded an inaccurate blood glucose reading for Patient #1.

6. The events outlined above occurred within the Respondent's first month of practice in the United States and first three weeks on the Floor where these events occurred.

Charges

7. The acts, omissions and/or circumstances described above constitute grounds for discipline because the Respondent has committed unprofessional conduct in violation of:
- i. 3 V.S.A. § 129a(a)(7) (Willfully making or filing false reports or records in the practice of the profession);
 - ii. 26 V.S.A. § 1582(a)(3) (is unable to practice nursing competently by reason of any cause) which includes performing unsafe or unacceptable patient care and failing to conform to the essential standards of acceptable and prevailing nursing practice pursuant to ARBN Chapter 4, Rule IV(II)(B)(1) and (2); and
 - iii. 3 V.S.A. § 129a(a)(3) (Failing to comply with provisions of federal or state statutes or rules governing the practice of the profession).

Understandings

8. Respondent understands that the Nursing Board must review and accept the terms of the Consent Order. If the Board rejects any portion, the entire Stipulation and Consent Order shall be null and void.
9. Respondent specifically waives any claims that any disclosures made to the full Board during its review of this agreement have prejudiced her rights to a fair and impartial hearing in future hearings if this agreement is not accepted by the Board.
10. Respondent has read and reviewed this entire document and agrees that it contains the entire agreement between the parties.
11. Respondent is not under the influence of any drugs or alcohol at the time she signs this Stipulation and Consent Order.
12. Respondent voluntarily enters into this agreement after the opportunity to consult with legal counsel and is not being coerced by anyone into signing this Stipulation and Consent Order.
13. Respondent voluntarily waives her right to a contested hearing before the Board of Nursing and waives any right to appeal from this Stipulation and Consent Order.
13. Respondent agrees that the Order set forth below may be entered by the Board.
14. Respondent can request the modification of any or all conditions at any time.

(1) Re-issue of License.

Upon the imposition of these conditions, Respondent shall be issued a license labeled "conditioned".

Within ten (10) days of the date of entry of this Consent Order or of any subsequent nursing employment, Respondent shall cause Respondent's immediate supervisor to write to the Board, on the employer's letterhead, acknowledging receipt of the Stipulation and Consent Order and the ability to comply with the conditions in the Consent Order.

In the event Respondent is attending a nursing program which has a clinical portion which involves actual patient care, she shall provide a copy of the Stipulation and Consent Order to the Program Director. Respondent shall cause the Program Director to write to the Board, on school letterhead, acknowledging receipt of the Stipulation and Consent Order and ability of the program to comply with its conditions during clinical experience.

(4) Reports from Employers.

Within one (1) month of the date of entry of this Order and **monthly** thereafter, Respondent shall cause every nursing employer Respondent has worked for during the relevant time period to submit to the Board an evaluation of Respondent's performance and attendance during that time period. This report shall be submitted in writing on forms issued by the Board.

In the event the Respondent is attending a nursing program, Respondent shall cause the Program Director to submit to the Board, on a monthly basis, a written evaluation of her performance and attendance. This report shall be submitted in writing on forms issued by the Board and accompanied by a cover letter on the school's letterhead.

(7) Out of State Practice/Residence.

Before any out-of-state practice or residence can be credited toward fulfillment of these terms and conditions, Respondent shall first obtain approval from the Board prior to Respondent leaving the State of Vermont. If Respondent fails to receive such approval before leaving the State, none of the time spent out-of-state will be credited toward the fulfillment of the terms and conditions of this Consent Order. The Board will approve out-of-state practice so long as the Respondent can still comply with the provisions of this Consent Order.

(8) Notification of Place of Employment/ Personal Address/Telephone Number.

Within five (5) days of the date of entry of this Order, Respondent shall notify the Board, in writing, of her current place of employment, personal address, and telephone number. Respondent shall further notify the Board, in writing, within forty-eight (48) hours of any change in employment, personal address, or telephone number.

(9) License Renewal.

If the Respondent's license expires while this Order is still in effect, this Order does not automatically extend the license. In that situation, in order to continue to practice nursing, the Respondent must timely apply for renewal, pay the applicable fee and demonstrate that she has otherwise complied with the requirements for license renewal.

(10) Costs.

The Respondent shall bear all costs of complying with this Consent Order.

(11) Violation of this Order.
