Docket No. 2016-102 (LPN)

CORRECTIVE ORDER

Respondent is a licensed practical nurse. This Board's Order in the above-captioned matter, signed by the Chair on October 3, 2018 and entered October 10, 2018, errantly describes Respondent and her work as that of a "licensed nursing assistant" where the Order should instead refer to a "licensed practical nurse." This occurs at Order pp. 9 (§2(A)(2)) & 11 (§2(A)(8)).

By letter dated November 2, Respondent has asked the Board to correct the error. The request is hereby GRANTED.

The Docket Clerk is authorized to amend the Order text accordingly, or to attach this Corrective Order to any un-amended copy of the Order.
