Respondent shall cause the Program Director to write to the Board, on school letterhead, acknowledging receipt of the Stipulation and Consent Order and ability of the program to comply with its conditions during clinical experience.

Respondent shall further notify the Board, in writing, within forty-eight (48) hours of any change in employment, personal address, or telephone number.

(9) License Renewal.

If the Respondent's license expires while this Order is still in effect, this Order does not automatically extend the license. In that situation, in order to continue to practice nursing, the Respondent must timely apply for renewal, pay the applicable fee and demonstrate that she has otherwise complied with the requirements for license renewal.

(10) Costs.

The Respondent shall bear all costs of complying with this Consent Order.

(11) Violation of this Order.

If the Respondent violates the terms of this Order in any respect, the Board, after giving the Respondent notice and an opportunity to be heard, may rescind or modify this Order and impose additional appropriate disciplinary actions.
