Docket No. 2009-119

**Appearances:**

Petitioner, State of Vermont: Betsy Ann Wrask  
Respondent: Did not appear

Presiding Officer: Larry S. Novins

**DEFAULT ORDER**

The Board held a hearing on the above matter on July 13, 2009 at the National Life Building in Montpelier, Vermont. Mr. Ward did not attend and was not represented by counsel.

**Findings of Fact**

1. Mr. Ward is licensed as a registered nurse and is therefore subject to the regulatory authority of this Board. 3 V.S.A. §§ 129, 129a, 26 V.S.A. § 1582(a), the Administrative Rules of the Board of Nursing, and the Rules of the Office of Professional Regulation.
2. On May 20, 2009 Mr. Ward was sent notice of Charges in this matter by certified mail to his last known address. A copy of the Specification of Charges is attached to this Default Order.
3. OPR Rule 3.3 requires that an Answer be filed within 20 days of the date on which the notice of charges was mailed by the Director.
4. Licensees are required to notify the Board of any change of address within 30 days. 3 V.S.A. § 129a(a)(14).
5. Stamps on the envelope indicate the notice of charges was "unclaimed."
6. Mr. Ward has not filed an answer to the charges.
7. On June 22, 2009 Notice of the default hearing scheduled for July 13, 2009 was mailed to Mr. Ward at that same address by certified mail.
8. Mr. Ward has still not answered the charges.
9. Upon hearing the State's presentation and taking notice of its own file, the Board finds Mr. Ward to be in Default. The allegations contained in the State's Specification of Charges are therefore treated as the facts on which the Board's Order is based. OPR Rule 3.4, 3 V.S.A. § 809(d) and 3 V.S.A. § 814(c).

**Conclusions of Law**

Mr. Ward has received adequate or constructive notice of the charges in this matter as indicated by the Board's file and the State's presentation. Because Mr. Ward has failed to answer

the charges, the State's factual allegations are treated as if proved. O.P.R. Rule 3.4. Accordingly, the Board finds, in this Default Hearing held pursuant to 3 V.S.A. §809(d), that Mr. Ward has engaged in the unprofessional conduct alleged in the State's Specification of Charges.

### Order

In accordance with the above Findings of Fact and Conclusions of Law, Mr. Ward's license is hereby **Revoked** effective as of the date of the hearing.

### Appeal Rights

This is a final administrative determination by the Vermont Board of Nursing.

A party aggrieved by a final decision of a board may appeal this decision by filing a written Notice of Appeal with the Director of the Office of Professional Regulation, Vermont Secretary of State, National Life Bldg., North, FL2, Montpelier, VT 05620-3402 within 30 days of the entry of this order.

If an appeal is filed, the Director of the Office of Professional Regulation shall assign the case to an appellate officer. The review shall be conducted on the basis of the record created before the board. In cases of alleged irregularities in procedure before the board, not shown in the record, proof on that issue may be taken by the appellate officer. 3 V.S.A. §§ 129(d) and 130a.

To request a stay of the Board's decision, please refer to the attached stay instructions.

**Board Authority**

1. The Vermont State Board of Nursing (the "Board") has authority to issue warnings or reprimands; suspend, revoke, limit, or condition current licenses; or prevent the renewal of lapsed licenses if, after disciplinary hearing, the Board finds that the Respondent has engaged in unprofessional conduct. 3 V.S.A. § 129(a); 3 V.S.A. § 129a; 3 V.S.A. § 814(d); 26 V.S.A. § 1582; the Administrative Rules of the Board of Nursing (the "ARBN"); and the Rules of the Office of Professional Regulation.

4. By way of history, on or about May 29, 2007, Respondent's Vermont license was conditioned for three (3) years pursuant to a Stipulation and Consent Order. Attachment A. Attachment A. Thereafter, on or about October 14, 2008, Respondent's license was indefinitely suspended pursuant to a Default Order, after Respondent failed to answer Charges regarding

  - f. On or about February 20, 2007 in his Texas renewal application, Respondent revealed that from July 20, 2005 through August 11, 2005, he was treated at Maple Leaf Farm in Underhill, Vermont, for alcohol dependency.
  - g. On or about May 29, 2007, Respondent's Vermont license was conditioned for three (3) years by the Board.
  - h. On or about March 3, 2008, Respondent was convicted of Criminal Mischief (a violation) in the Franklin Court, County of Merrimack, New Hampshire.

STIPULATION AND CONSENT ORDER

**STIPULATION**

NOW COMES the State of Vermont, through State Prosecuting Attorney, Edward G. Adrian, and the Respondent, Mark D. Ward, who stipulate and agree as follows:

**Board Authority**

1. The Vermont State Board of Nursing ("the Board") has authority to issue warnings or reprimands, suspend, revoke, limit, condition current licenses, or prevent the renewal of lapsed licenses if, after disciplinary hearing, the Board finds that the Respondent has engaged in unprofessional conduct. 3 V.S.A. §129(a); 3 V.S.A. 129a; 3 V.S.A. §814(d); 26 V.S.A. §1582; the Administrative Rules of the Board of Nursing ("ARBN"); and the Rules of the Office of Professional Regulation.

**Statement of Facts**

2. The Respondent, Mark D. Ward, is licensed in the State of Vermont as a registered nurse under license number 026-0028501. This license was originally issued on or about July 23, 2003 and is currently set to expire on March 31, 2007. Mr. Ward's Vermont license is currently on inactive status.

3. At all times relevant, the Respondent was employed as a registered nurse at Porter Hospital (the "Hospital") located in Middlebury, Vermont.

4. Respondent was terminated from his employment at the Hospital on or about June 27, 2005.

5. On or about June 16, 2005, Respondent removed five (5) Percocet tablets for patient G.E. from the Pyxis machine at approximately 3:07 a.m. G.E.'s records do not show an order for Percocet. Furthermore, G.E. had been discharged at approximately 4:50 p.m. on June 15, 2005.

6. On or about June 25, 2005, Respondent removed six (6) Percocet tablets for patient B.C. from the Pyxis machine at approximately 2:17 a.m. B.C.'s records indicate a physician's order for four (4) Percocet; however, there is no documentation that any of the Percocet

Professional Regulation

removed by the Respondent was administered to B.C. B.C. was discharged on June 25, 2005 at approximately 2:35 a.m.

7. In an interview with State Investigator Brenda Tetrault conducted on or about October 10, 2005, Respondent acknowledged that he has poor documentation practices, but denied stealing any drugs.

8. Additionally, on Respondent's application for licensure in the State of Vermont dated July 23, 2003, Respondent answered "No" to the question "Have you been convicted of a crime other than a minor traffic violation?" In fact, Respondent pled guilty to and was convicted of DWI (misdemeanor) in Texas on or about June 26, 2001.

9. Finally, during the course of its investigation regarding the above outlined charges, the Office of Professional Regulation received information that on or about July 20, 2005, the Respondent was admitted to Maple Leaf Farm Associates, Inc., ("Maple Leaf") seeking treatment for alcohol, cocaine, and cannabis dependence.

10. The Respondent did not notify the Board that he had entered the Maple Leaf alcohol and substance abuse treatment program.

#### Charges

11. The acts, omissions and/or circumstances described above constitute grounds for discipline because the Respondent has committed unprofessional conduct in violation of:

(i) 26 V.S.A. § 1582(a)(5) (is habitually intemperate or is addicted to the use of habit-forming drugs);

(ii) 3 V.S.A. § 129a(a)(1) (fraudulent or deceptive procurement or use of a license);

(iii) 3 V.S.A. § 129a(b)(1) and (2) (failure to practice competently by reason of any cause on a single occasion or on multiple occasions may constitute unprofessional conduct. Failure to practice competently includes: (1) performance of unsafe or unacceptable patient care; or (2) failure to conform to the essential standards of acceptable and prevailing practice); and

(iv) 3 V.S.A. § 129a(a)(3) (failing to comply with the provisions of state statutes or rules governing the practice of the profession).

#### Understandings

12. Respondent admits the facts above are true and that the conditions below are necessary to protect the public.

13. Respondent understands that the Nursing Board must review and accept the terms of the Consent Order. If the Board rejects any portion, the entire Stipulation and Consent Order shall be null and void.

STATE OF VERMONT

Prosecuting Attorney  
Office of  
Professional Regulation  
9 Baldwin Street  
Montpelier, VT  
05609-1107

14. Respondent specifically waives any claims that any disclosures made to the full Board during its review of this agreement have prejudiced his rights to a fair and impartial hearing in future hearings if this agreement is not accepted by the Board.

15. Respondent has read and reviewed this entire document and agrees that it contains the entire agreement between the parties.

16. Respondent is not under the influence of any drugs or alcohol at the time he signs this Stipulation and Consent Order.

17. Respondent voluntarily enters into this agreement after the opportunity to consult with legal counsel and is not being coerced by anyone into signing this Stipulation and Consent Order.

18. Respondent voluntarily waives his right to a contested hearing before the Board of Nursing and waives any right to appeal from this Stipulation and Consent Order.

19. Respondent agrees that the Order set forth below may be entered by the Board.

(16) Out of State Practice/Residence.

Before any out-of-state practice or residence can be credited toward fulfillment of these terms and conditions, Respondent shall obtain approval from the Board. If Respondent fails to receive such approval, none of the time spent out-of-state will be credited toward the fulfillment of the terms and conditions of this Consent Order. A CERTIFIED MAIL RECEIPT FROM THE RESPONDENT SHALL BE SUFFICIENT TO SATISFY THIS CONDITION.**

(19) License Renewal.

If the Respondent's license expires while this Order is still in effect, this Order does not automatically extend the license. In that situation, in order to continue to practice as a registered nurse, the Respondent must timely apply for renewal, pay the applicable fee and demonstrate that he has otherwise complied with the requirements for license renewal.

(20) Release of Information Forms.

The conditions of this Order require the Respondent to authorize drug and/or alcohol treatment providers to report information in verbal and/or written format and/or to discuss the Respondent and any and all treatment rendered to the Respondent for drugs and/or alcohol with the Board or its designee. The conditions of this Order must allow any and all information from the Respondent's treatment providers to also be provided to the Office of Professional Regulation investigators and that the information may be used for further prosecutions if so warranted or if the Office of Professional Regulation determines that said information violates the terms of this Order or any rules or laws governing the profession of nursing.

The Respondent is entitled to revoke this consent at any time. However, any revocation by the Respondent of such consent to disclosure during the term of this Order shall be considered a violation of this Order.

This consent expires when the conditions are removed from the Respondent's registered nursing license.

This Stipulation and Consent Order shall constitute a valid written consent pursuant to the requirements of 42 C.F.R. § 2.31.

The Respondent understands that his treatment provider may require him to sign a separate and distinct consent meeting the requirements of 42 C.F.R. § 2.31.

(21) Costs.

The Respondent shall bear all costs of complying with this Consent Order.

(22) Violation of this Order.

If the Respondent violates the terms of this Order in any respect, the Board, after giving the Respondent notice and an opportunity to be heard, may rescind or modify this Order and impose additional appropriate disciplinary actions. If a complaint of unprofessional conduct

After the conditional license period, the Respondent may petition the Board to remove any and all conditions on his license. The Respondent must present proof that he has fully complied with the terms of this Order. The Respondent must also present proof of successful substance abuse rehabilitation and he must demonstrate, to the satisfaction of the Nursing Board, that he poses no danger to the public or the practice of nursing and that he can safely and competently perform the duties of a licensed practical nurse.

B. Notwithstanding any provision above, the Respondent must continue to meet all Nursing Board requirements for maintaining a license, license renewal and license reinstatement.

6. The Respondent did not appear for this default hearing.
7. Upon consideration of the State's presentation of the case and after taking official notice, pursuant to 3 V.S.A. § 810(4), of the contents of this matter's case file, which is maintained by the OPR Docket Clerk in accordance with

OPR Admin. Rules Part 3, the Board finds the Respondent to be in default for failure to answer the State's charges.

8. Finding the Respondent in default, the Board therefore treats the factual allegations contained in the State's specification of charges (copy attached) as proven, and those allegations will serve as the factual basis for the following order. OPR Rule 3.4; 3 V.S.A. § 809(d) and 3 V.S.A. § 814(c).

#### Conclusions of Law

9. The Respondent received adequate and legal notice of the charges as evidenced by OPR's contested case file and the State's presentation of the case to the Board. Because the Respondent failed to answer the charges of unprofessional conduct, the Board finds the Respondent in default and will treat the State's factual allegations as established pursuant to OPR Rule 3.4.
10. The Board concludes, in this default hearing held pursuant to 3 V.S.A. § 809(d), that the Respondent has engaged in unprofessional conduct as alleged by the State of Vermont.

#### ORDER

In accordance with the above findings of fact and conclusions of law and effective the date of entry of this order, the Board of Nursing ORDERS that the Respondent's privileges, if any, to renew his registered nursing license are SUSPENDED INDEFINITELY.
