Order Removing of Conditions

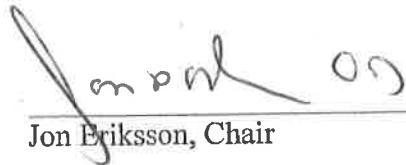

On **October 15, 2014** the Vermont Board of Optometry considered Michael Taub's request for removal of conditions on his Optometry license. The Prosecutor and the Investigative Team have no objection.

Respondent has satisfied the Office that he has fulfilled all obligations under the previous Order in this matter, and that removal of the conditions is appropriate.

The Board hereby **removes all conditions** on Michael Taub's Optometry license.

So Ordered.
