Statement of Facts

9. William Arthur Birge (the "Respondent") of Newport, Vermont is an osteopathic physician holding license number 032-0000313, issued by the State of Vermont. The Respondent's license was conditioned by this Board on March 14, 2006 pursuant to a Stipulation and Consent Order (the "Stipulation"). Attachment A. This license was originally issued on or about December 17, 1986 and expired on September 30, 2006.
10. On or about February 15, 2006 R.C. a patient of the Respondent requested the last two years of his medical records so he could have them available for another physician to review. On or about March 6, 2006 R.C. made this request in writing and made it again in writing on or about March 8, 2006. On or about April 2, 2006 the R.C. hand delivered a written request. To date R.C. has not received any medical records from the Respondent.
11. R.A. received medical attention from the Respondent and was also receiving workers' compensation as the result of an injury. On or about May 22, 2006 the Respondent was faxed a written request for R.A.'s medical records generated since January 1, 2006 and a release from those records from R.A.'s employer for the purpose of securing workers' compensation. On or about June 5, 2006 a similar request for medical records was faxed to the Respondent. The medical records were never provided and as a result R.A. lost several thousand dollars of workers' compensation benefits.
12. The Stipulation requires the Respondent's practice to be supervised by another physician approved by the Board and the supervisor is to provide quarterly reports to the Board. Attachment A. The Respondent has not submitted the names of potential supervisors as of the date below. When questioned about this by Investigator Karl Packer, the Respondent claimed that he had contacted Dr. G.B. and that Dr. G.B. had agreed to review some of the Respondent's records and had even looked at some of them. Dr. G.B. was contacted by Investigator Packer and stated that he declined acting in any supervisory capacity for the Respondent.
13. The Stipulation requires that the Respondent come into good standing with the Vermont Department of Taxes and the Vermont Office of Child Support within six months of the date of entry of the Stipulation. Attachment A. The Stipulation requires that the Respondent's license be suspended indefinitely if he does not come into good standing within six months. As of September 27, 2006 the Respondent was

not in good standing with the Vermont Office of Child Support and as of September 28, 2006 the Respondent was not in good standing with the Vermont Department of Taxes.

14. The Respondent has been evicted from his office and has let his license lapse. Several of the Respondent's patients have been unable to contact him or determine his whereabouts to get medical help.

Charges and Request for Relief

15. The facts as set out above establish that in order to protect the public health, safety or welfare of the people of the State of Vermont emergency action is imperative.
16. By committing the above act(s), circumstance(s) and/or omission(s), the Respondent has engaged in unprofessional conduct by violating the Vermont Statutes and Rules, as outlined above in paragraphs 2-8.

WHEREFORE, the State of Vermont respectfully requests that pursuant to 3 V.S.A. § 814(c), the Respondent's osteopathic physician's license number 032-0000313 be summarily suspended, pending a hearing on the merits.
