Order Removing Conditions

On March 10, 2016 the Vermont Board of Osteopathic Physicians and Surgeons considered Dr. Tina D'Amato's request for removal of the conditions imposed on her license as an Osteopathic Physician by Order of this Board dated December 16, 2013. The Investigative Team and the State have no objections.

Based on the representations of OPR staff, the Board finds that Respondent has met all requirements of the Order, and that removal of all conditions from her license is acceptable.

The Board hereby removes the conditions on Dr. Tina D'Amato's license to practice as an Osteopathic Physician.

So Ordered.
