Order Removing Conditions

On September 10, 2015 the Vermont Board of Osteopathic Physicians and Surgeons considered Dr. Bruce Latham's request for removal of the conditions imposed on his license as an Osteopathic Physician by Order of this Board dated June 8, 2012. The Investigative Team and the State have no objections.

Based on the representations of Board staff, the Board finds that Respondent has met all requirements of the Order, and that removal of all conditions from his license is acceptable.

The Board hereby removes the conditions on Dr. Bruce Latham's license to practice as an Osteopathic Physician.

So Ordered.
