Order Removing Conditions

On February 17, 2016 the Director of the Office of Professional Regulation considered Jeffrey P. Jaurigue's request for removal of the conditions imposed on his license as a Physical Therapist by Order of this Office dated September 24, 2015. The Investigative Team and the State have no objections.

Based on the representations of staff, the Director finds that Respondent has met all requirements of the Order, and that removal of all conditions from his license is acceptable.

The Director hereby removes the conditions on Jeffrey P. Jaurigue's license to practice as a Physical Therapist.

So Ordered.
