**A provisional license is available to expedite entry into the workforce for applicants who have otherwise met licensure requirements and are either awaiting verification of licensure or the results of a criminal background check. A provisional license may be issued based on voluntary agreement between the applicant and the Office. An applicant is not required to request one. Applicant understands that a provisional license does not have the same procedural rights of a regular license.**

I request a provisional license while waiting for my application to be determined. While my license is in provisional status, the Office may summarily withdraw the provisional license upon discovery of any inconsistency or inaccuracy in my application materials, even if the inconsistency is not my fault. If I am aggrieved by a denial or summary withdrawal of a provisional license issued under this section, my exclusive remedy is to have my application for conventional licensure determined according to the usual process.
