

**OPR Initial Licensing/Renewal Fees & Dates**  
**90-Day Initial Licensing Policy**  
*(Updated 7/1/2023)*

The chart below lists initial and renewal licensing fees as well as the expiration date/renewal cycle for each profession. Initial licenses expire on the renewal date unless they are issued 90 days from the renewal date, per OPR's Initial License Policy.

Initial licenses issued 90 days or less from the profession's renewal date will be granted through the next full two-year period.

Initial licenses issued 91 days or more before the profession's renewal date will be required to renew the license for the upcoming renewal.

Regulatory fees are established by the Legislature and listed in the Vermont Statutes. Advisor profession fees can be found within [3 V.S.A. §125](#) Board profession fees can be found within each profession's chapter in [26 V.S.A.](#) These fees are used to cover the cost of regulation to ensure public protection.
