

**Notice to Applicants  
Required Examinations**

The NCCAOM Comprehensive Written Examination in Acupuncture (CWE) and Point Location Examination (PLE) have been replaced by the following NCCAOM examinations which are substantially equivalent:

Foundations of Oriental Medicine Module Examination  
Acupuncture with Point Location Module Examination  
Biomedicine Module Examination

These examinations meet the requirements of Administrative Rule 2.3(c) and are required for licensure in Vermont.

For those licensed to practice in Vermont after January 1, 2007 who intend to employ nonprescription remedies and herbal therapies: the Chinese Herbology Module Examination is also required.
