- Attest to having dedicated a minimum of 100 hours in your two year renewal cycle to providing MNA functions.

➤ **Expired Licensees only** - Complete the Criminal Background Check (requirement as of 9/1/2022)

- ▶ Vermont requires all nursing licenses to have a background check, the first step to this process is to print the FBI Release form. You will need to complete the form and have someone verify your identity and sign & date the form and upload your completed form to your renewal application.
- ▶ Once we receive your FBI Release form you will be emailed the fingerprint instructions and Fingerprint Authorization Certificate.
- ▶ **After you receive the signed Fingerprint Authorization Certificate, you will make an appointment to have your fingerprints taken.**
 - Print the fingerprint authorization certificate and bring it with you to your fingerprint appointment. The fingerprint authorization certificate form must be sent with your prints to VCIC for processing. Some centers do this for you, and some will require you to mail the form to VCIC. Please visit <https://sos.vermont.gov/opr/online-services/background-checks/> for more information
 - **You MUST upload a copy of your fingerprint receipt into your online account using the update feature in your online portal**
- ▶ **To have fingerprints taken in Vermont:** Here is a list of [Vermont Identification Centers](#) or contact your local law enforcement agency to inquire if they provide fingerprinting services. The Vermont agency will send your fingerprints and your Fingerprint Authorization Certificate directly to VCIC. **You are required to bring your completed FAC form with you to your fingerprint appointment.**
- ▶ **To have fingerprints taken outside of Vermont:** You will need to do a search on the internet for fingerprinting locations near me and enter your city, state, or zip code. You will need to call the place and verify that they do ink fingerprints on a FD-258 fingerprint card. If they do, when you get your fingerprint card make sure all our descriptive information is completed, on the card when it asks reason for prints make sure to put "VT License" do not write employment. If prints are done outside of Vermont, they must be **ink prints** on the FD-258 fingerprint card.

- ▶ You will need to take a photo/copy of the completed fingerprint card, the completed FAC form and mail the originals to the address below. Please mail all the documents with a mailing tracking number.
- ▶ You will need to upload your photo/copies of your completed fingerprint card, FAC form and mailing tracking receipt to your online account so you can receive a provisional license. Log into your online account, go to view license, click "Update" and upload the documents.
- ▶ **Remember to send your fingerprints and Fingerprint Authorization Certificate (FAC form) to VCIC, not to OPR. We are unable to accept fingerprint cards, and you will have to start the process over.**
- ▶ Send the signed Fingerprint Authorization Certificate and the fingerprints to:
Vermont Crime Information Center
Attn: Record Checks
45 State Drive
Waterbury, VT 05671
- ▶ Once VCIC receives your information, it can take up to 12 weeks for us to receive results. We will make every effort to process the results quickly. License renewal will not be delayed by pending criminal background checks.
