WAIVER AND GUIDANCE DOCUMENT:
INTERNSHIP-HOUR REQUIREMENTS FOR ACPE-ACCREDITED PROGRAMS AND THEIR GRADUATES

The Board finds that the substantive requirements of its internship-hour rules are satisfied by pharmacy-education programs accredited by the Accreditation Council on Pharmacy Education (ACPE). Accordingly, any pharmacy graduate presenting a degree from an ACPE-accredited program, who has completed, incident to that program, at least the internship hours required by ACPE, shall be deemed to have satisfied internship prerequisites to licensure, regardless of whether such hours were earned concurrent or supplemental to the regular curriculum.

This waiver shall be valid until superseded, obviated, or reversed by act of the Board or the Vermont General Assembly.

Approved by the Vermont Board of Pharmacy, October 23, 2019.
