**WELL DRILLERS
Approved CE Providers**

All continuing education courses must be related to the practice of the industry. Eight (8) hours of continuing education is required for each bi-annual renewal. Course must be completed within that renewal period. You will be required to upload copies of your course completion certificates beginning with your 2023 renewal with our office.

- Department of Environmental Conservation
- National Ground Water Association
- National and Regional Conferences related to the practice of the industry
- State Ground Water Association
