Questions and
Goals and
Scope

Research,
Resources, and
Learning

Recommendations

Report

Supervision

- Barriers to supervision
 - Workforce development
 - Accommodations
- Cross-profession supervision requirements
- Supervisor training requirements
 - Qualifications
- Payment structures
- Supervision contracts
 - Accountability and transparency
- Private practice v. agency settings
- Supervision hourly rules criteria
- Direct v. indirect service criteria

- Goals and Scope
 - What do you want the final report to accomplish?
 - E.g., identifying issues vs. proposing solutions
- Research
 - What resources are necessary to support the study goals?
 - What are jurisdictions (states) doing?
